SASH AGM 14th September 2018

This year's attendance at the AGM dinner was complimentary to members courtesy of SASH. It was a great turnout with Ayesha Mohamed and Allan Cyna presenting highlights of the World Congress of Hypnosis held in Montreal, Canada in August 2018.

World Congress Clinical and Medical Hypnosis in Montreal August 2018.

Speakers included

David Spiegel, Irving Kirsh, Mark Jensen & David Patterson

An excellent lecture was given by Dan Kohen and Pamela Kaiser on how to run a hypnosis course. Their workshop on Paediatric clinical hypnosis in Minneapolis, USA, has a great reputation which Nicki Ferencz, from our committee, attended bringing back fresh ideas for the course which is continually being developed.

Subsequently the Committee met up with some faculty members at the end of the year. The SASH course relies on the many members bringing a variety of different experiences to the course. This year we had 21 presenters (71 hours of presentations) and 18 supervisors (47 hours of supervision) for 2018.

A big thank you to all involved without whom the course could not happen.

If and member wishes to help out, just email secretary@sash.asn.au

Some of our wonderful faculty members meeting up at the end of the last day of the course to discuss ideas for next year.

Welcome Mike!
